2030 Agenda for Sustainable Development

Civil Society participation is key in:

Ending poverty in all its forms everywhere for all people

Ensuring healthy lives and promoting well-being for all at all ages

Achieving gender equality and empower all women and girls

Ensuring access to affordable, reliable, sustainable and modern energy for all

Building resilient infrastructure, promoting inclusive and sustainable industrialization and foster innovation

Making cities and human settlements inclusive, safe, resilient and sustainable

Taking urgent action to combat climate change and its impacts*

Protecting, restoring and promoting sustainable use of terrestrial ecosystems, sustainably manage forests, combat desertification

Strengthening the means of implementation and revitalizing the global partnership for sustainable development

Ending hunger, achieve food security and improved nutrition and promote sustainable agriculture

Ensuring inclusive and equitable quality education and promoting lifelong learning opportunities for all

Ensuring availability and sustainable management of water and sanitation for all

Promoting sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all

Reducing inequality within and among countries

Ensure sustainable consumption and production patterns

Conserving and sustainably using the oceans, seas and marine resources for sustainable development

Promoting peaceful and inclusive societies for sustainable development
