The Assembly will hold six plenary meetings in the Plenary Hall from Tuesday, 4 November, to Thursday, 6 November 2025, from 9 a.m. to 1 p.m. and from 3 to 6 p.m., with an opening segment at the first plenary meeting on 4 November, from 9 to 10.30 a.m., and a closing segment on 6 November, from 5 to 6 p.m. The opening segment will include the adoption of the political declaration followed by statements by the President of the General Assembly, the Secretary-General of the United Nations, the Amir of the State of Qatar in its capacity as host country and the President of the Economic and Social Council. The closing segment will feature a statement by the President of the General Assembly.

7. Member States, members of the United Nations specialized agencies and observers of the General Assembly to be represented at the level of Head of State or Government or at the highest possible level are invited to make statements in plenary of up to five minutes.

8. Representatives of the United Nations system, including the funds, programmes, specialized agencies and regional commissions, as well as the international financial institutions, are invited to participate in the Summit. Representatives of non-governmental organizations (NGOs) that are in consultative status with the

Economic and Social Council are also invited to participate in the Summit in accordance with relevant rules and procedures of the General Assembly.

9. Pursuant to resolution [78/318](#), the General Assembly approved a list of representatives of other relevant NGOs, civil society organizations, academic institutions and the private sector who may participate in the Summit, taking into account the principles of transparency and equitable geographical representation, with due regard for gender parity (decision 79/569).

### **List of speakers**

10. The list of speakers for the plenary meetings will be established on a first-come, first-served basis, with the customary protocol whereby, among speakers of Member States and the delegations subject to General Assembly resolutions [65/276](#) and [ES-10/23](#), Heads of State, Vice-Presidents and Crown Princes or Princesses, Heads of Government, deputy prime ministers, cabinet ministers and vice-ministers are given priority (regardless of the date of appointment and the areas of responsibilities of the ministers and vice-ministers, with first spouses listed immediately after vice-ministers), in that order, with group statements given further priority within each level. Each delegation is to make no more than one statement in the debate, delivered by no more than one accredited representative physically present in the Plenary Hall. Requests for inscription from Member States, observer States and the European Union should be made through the e-deleGATE portal, from 10 a.m. on Monday, 15 September, until 5.30 p.m. (New York time) on Friday, 24 October 2025. Members of the United Nations specialized agencies and observers of the General Assembly may contact the Secretariat (at [galindo@un.org](mailto:galindo@un.org)) to be inscribed on the list of speakers. The list of speakers will be announced on the e-deleGATE platform, as well as in the *Journal of the United Nations*, under “Conferences and Summits”, prior to the Summit.

11. The arrangements for the round tables will be communicated in due course.

### **Seating**

12. The plenary meetings will follow the seating protocol of the eightieth session of the General Assembly. In accordance with established practice, the Secretary-General had drawn lots for the purpose of choosing the Member State to occupy the first desk on the Assembly floor from which the alphabetical seating order will begin. The name drawn was the Niger. The other countries will follow in the English alphabetical order, taking into account Assembly resolution [ES-10/23](#) regarding the seating arrangement for the State of Palestine, followed by the Holy See and the European Union. There will be two seats at the table and two adviser seats behind for Member States, observer States and the European Union.

13. Plenary seating will also be available for observers of the General Assembly, members of the United Nations specialized agencies, and representatives of the United Nations system, including the funds, programmes, specialized agencies and regional commissions, as well as of international financial institutions, NGOs in consultative status with the Economic and Social Council, and other relevant NGOs, civil society organizations, academic institutions and the private sector, as approved by the Assembly. They will each be assigned one seat at the table and one adviser seat behind.

14. A secondary access card in addition to a Summit badge will be required for access to the Plenary Hall for the opening plenary meeting on Tuesday, 4 November 2025, and possibly for the subsequent plenary meetings. Access cards will be issued to delegations according to the number of seats allocated in the Plenary Hall and will

be distributed by the Protocol Registration Office to authorized representatives collecting the Summit badges for their delegations.

15. Details of seating for the round tables will be communicated in due course.

#### *Accessible seating*

16. In accordance with General Assembly resolution [73/341](#), upon request by a delegation for accessible seating, adjustments may be made to the seating order in the Plenary Hall and the Round Table Room to accommodate the requesting delegation at the designated accessible seats.

17. Requests for accessible seating need to be addressed by Friday, 24 October 2025, to [gaab@un.org](mailto:gaab@un.org), with copy to [chanm@un.org](mailto:chanm@un.org).

### **III. Round tables**

18. There will be two high-level round tables, each to be co-chaired by two Heads of State or Government, one from a developed country and one from a developing country, to be appointed by the President of the General Assembly after consultations with the Member States, ensuring geographical balance, on the following themes:

- Round table 1: Strengthening the three pillars of social development: poverty eradication, full and productive employment and decent work for all, and social inclusion, taking place on 4 November, from 3 p.m. to 6 p.m.
- Round table 2: Assessing progress and addressing gaps and challenges in the implementation of the commitments of the Copenhagen Declaration on Social Development and its Programme of Action and giving momentum towards the implementation of the 2030 Agenda for Sustainable Development, taking place on 5 November, from 10 a.m. to 1 p.m.

### **IV. Bilateral meetings**

19. For bilateral meetings among Member States at the Head of State or Government or ministerial level, 16 small meeting rooms, each with a capacity to hold 12 participants, will be available on the second floor of the Qatar National Convention Centre in rooms 226–241, from 4 to 6 November 2025. No modifications to the furniture set-up can be accommodated.

20. An electronic reservation system for the reservation of bilateral meetings will be activated through gMeets (<https://conferences.unite.un.org/gMeets>) on 21 October 2025 in order to provide for the equitable and efficient use of the facilities. Delegations are requested to submit reservations electronically through gMeets by accessing <https://conferences.unite.un.org/gMeets>, logging in with their username and password and clicking on the “Bilateral” tab. To prevent double booking, only the delegation initiating the bilateral meeting should submit the request. Reservations will be accepted for 20-minute durations starting on the hour and half-hour. The date and time of the bilateral meeting and the name of the other delegation participating in the meeting should be specified in the request.

21. Information about room assignments will be provided one day prior to the meeting. Depending on the programme, every effort will be made to keep a delegation’s consecutive appointments in the same room. Delegates are encouraged to submit their requests as early as possible. Late requests will be accommodated subject to availability of space. Delegations requiring further information should send

their questions or inquiries to [gmeets@un.org](mailto:gmeets@un.org), with copy to [tongx@un.org](mailto:tongx@un.org) and [dienes@un.org](mailto:dienes@un.org). When sending an email, the wording “WSS-bilats” should be included in the subject line. When on site, delegations can also contact the meeting management staff located in front of the bilateral meeting rooms.

22. If a submitted request is no longer needed, delegations are kindly asked to cancel it at their earliest convenience, which will facilitate the accommodation of other requests in a timely manner. Cancellations can be submitted through the same reservation system in gMeets or in person when on site.

## V. Interpretation

23. The official languages of the Summit are Arabic, Chinese, English, French, Russian and Spanish. Statements made in the plenary and the round-table meetings will be interpreted in the six official languages.

24. Statements made in any of the six official languages of the Summit are interpreted into the other official languages. Speakers are requested to deliver the statement at a speed that is interpretable. While delegations are increasingly given a time frame in which to deliver their statements, they are kindly requested to do so at a normal speed, to enable the interpreters to provide an accurate and complete rendition of their statements. When statements are delivered at a fast pace, the quality of the interpretation may suffer. It is suggested not to exceed the speed of about 100 to 120 words per minute (as a guide for statements delivered in English) in order to ensure that the statement is delivered at a normal pace.

25. Any speaker may also make a statement in a language other than the official languages, for interpretation into the official languages. In such cases, the delegation in question must provide an interpreter from the non-official language into an official language. Interpretation will then be made from that official language into the other five official languages. Delegations seeking to provide their own interpreters for non-official languages are requested to inform the meetings management staff and the Chief Interpreter well in advance by email at [gmeets@un.org](mailto:gmeets@un.org), with copy to [tongx@un.org](mailto:tongx@un.org), [dienes@un.org](mailto:dienes@un.org) and [kochetkov@un.org](mailto:kochetkov@un.org). The requesting delegation and the language to be used should be included in the subject line.

26. In order to facilitate the provision of interpretation and other services, delegations are requested to submit their statements (in PDF format) by email to [estatements-WSSD2@un.org](mailto:estatements-WSSD2@un.org). The name of the meeting and of the speaker, as well as the agenda item, should be indicated in the subject line of the email and in the heading of the statement. The statement should be submitted well in advance of the meeting, but no later than two hours before delivery, and not in hard copy. The statements will remain embargoed until their delivery.

## VI. Registration of participants and credentials

### Registration

27. The registration of official delegations of Member States, intergovernmental organizations and entities that have observer status with the General Assembly, specialized agencies and related organizations is handled by the Protocol and Liaison Service through the online eRegistration system, which is available via the e-deleGATE portal (<http://e-delegate.un.org>). A note verbale highlighting the registration procedure was sent on 2 September 2025 by the Protocol Office to all permanent and observer missions and offices in New York and is available on the Protocol Office website ([www.un.org/dgacm/en/content/protocol](http://www.un.org/dgacm/en/content/protocol)).

28. Delegations are kindly reminded that the Protocol Office will not register representatives of NGOs and participants in solutions sessions (side events) who do not form part of the official delegations of Member States, intergovernmental organizations, specialized agencies and related organizations. Representatives of NGOs and organizations with special accreditation should not be included in the official credentials or official delegation lists. For questions relating to the participation of Economic and Social Council-accredited NGOs, please email to [socialsummitsecretariat@un.org](mailto:socialsummitsecretariat@un.org). For questions relating to the participation of organizations with special accreditation to the Summit, please email to [ngls@un.org](mailto:ngls@un.org).

29. Delegations wishing to obtain information on the eRegistration system may refer to the updated Guidelines on eRegistration and frequently asked questions on the Protocol Office website at [www.un.org/dgacm/en/content/protocol/meetings](http://www.un.org/dgacm/en/content/protocol/meetings).

#### **Pre-registration in New York (1 September to 15 October 2025)**

30. To register for the Summit, official delegations must request registration through the designated eRegistration focal points for their respective missions or liaison offices in New York, who have access to the eRegistration system. Delegations are advised to do so as early as possible to ensure timely registration.

31. Representatives of intergovernmental organizations accredited with the General Assembly, specialized agencies and related organizations without an office in New York or not enrolled in the eRegistration system that wish to participate in the Summit must enrol in the online eRegistration system in advance to receive temporary access to the system for registration to the Summit. To request temporary access to the eRegistration system, the instructions contained in the guidelines to apply for eRegistration temporary access ([https://www.un.org/dgacm/sites/www.un.org.dgacm/files/Documents\\_Protocol/guidelines\\_to\\_apply\\_for\\_eregistration\\_temporary\\_access\\_english\\_16feb2024.pdf](https://www.un.org/dgacm/sites/www.un.org.dgacm/files/Documents_Protocol/guidelines_to_apply_for_eregistration_temporary_access_english_16feb2024.pdf)), posted on the website of the Protocol Office, must be followed.

32. Following past practice, Heads of State or Government, Vice-Presidents and Crown Princes or Princesses and their spouses will be provided with a VVIP pass without a photograph. Delegates at the level of Deputy Prime Minister, Speaker of Parliament and Cabinet Minister, as well as their spouses, will be issued a VIP pass with a photograph.

33. Missions and offices are kindly reminded that, as part of the registration process, copies of the letter of credentials for the Summit must be uploaded onto the registration form at the time of online registration. If the letter of credentials is not available at the time of registration, a letter from the Permanent Representative with the official delegation list, which will serve as a provisional letter of credentials, should be uploaded to the registration form instead. For intergovernmental organizations and specialized agencies, the letter should be stamped and signed by the head of the organization.

34. Permanent or observer missions are kindly reminded that they are responsible for registering (through pre-registration or on-site registration) all members of their delegations attending the Summit and are strongly advised to coordinate as early as possible with their Governments and embassies or consulates general in Qatar or in the region on the proper registration procedure. They are also strongly advised to make use of the pre-registration option in New York to avoid long queues at the registration centre in Doha.

35. Members of national security accompanying the VVIP/VIP groups participating in the Summit will need to be registered and have appropriate Summit badges issued by the Security and Safety Service. For additional information or questions, please email [krokan@un.org](mailto:krokan@un.org), with a copy to [mashkurul.haque@un.org](mailto:mashkurul.haque@un.org).

### **Online on-site registration in Doha (30 October to 5 November 2025)**

36. On-site (online) registration in Doha will begin on Thursday, 30 October 2025, at 9.30 a.m. and continue until Wednesday, 5 November 2025, at 1 p.m. local time at the United Nations registration centre located at the Qatar National Convention Centre.

37. Delegations are kindly reminded that all on-site registrations presented to the protocol registration office in Doha must be submitted by the eRegistration focal points of the permanent missions, offices or organizations in New York, or by the temporary eRegistration focal points for organizations without an office in New York, and processed through the online eRegistration system. The review and processing of on-site registration will require at least two days upon receipt in the system.

38. Delegates planning to seek on-site registration in Doha must coordinate with their respective permanent missions, offices or organizations well in advance by providing the designated eRegistration focal points with their passport details, colour photos in JPEG format and letters of credentials to complete the online registration form. Walk-in delegates who are not already registered in the system but who wish to register for the Summit on-site will be directed to contact their respective missions, offices or organizations in New York or their headquarters for proper online registration. On-site registrations for walk-in delegates cannot be processed until the online registration requests have been completed by their permanent mission, offices or organizations and received by the protocol registration office through the eRegistration system.

39. Please note that registration of participants through the online or on-site registration system is distinct from providing a delegation list for inclusion in the list of participants of the Summit. Please refer to paragraph 40 below for further details.

40. From 30 October 2025, all official communications for the Protocol Office, including letters of credentials, lists of delegations and Summit-related materials, should be sent to the protocol registration office at the Summit venue by email to [protocolconference@un.org](mailto:protocolconference@un.org).

### **Distribution of Summit badges and secondary access cards**

41. Summit badges for approved participants and secondary access cards will be issued and distributed from 30 October to 6 November 2025 (until 1 p.m. local time) at the United Nations registration centre located at the Qatar National Convention Centre. The representative must be a member (approved participant) within the delegation and is required to present his or her original passport (no electronic copy) at the registration centre in order to collect the Summit badges and secondary access cards.

43. Alternatively, for government delegations, Summit badges for approved participants may be collected by representatives of the embassies or consulates-general of the delegations in Qatar or in the region. Any other form of identity document is not acceptable.

The registration centre will not reissue duplicate passes or secondary access cards.

#### **Health insurance**

85. Travellers visiting Qatar are recommended to have a valid health insurance policy covering the medical facilities of Qatar. Participants with a valid Hayya entry

permit (electronic visa) who do not have an insurance policy are exempt from purchasing the mandatory health insurance. However, they are welcome to purchase a policy on arrival in Qatar. More information on travel insurance is available at <https://www.moph.gov.qa/english/departments/ministeroffice/hfid/Pages/Health-Insurance-Scheme.aspx>.

## **XII. Visas and entry requirements**

86. All attendees of the Summit must register with the host country and have a valid Hayya entry permit (electronic visa).

87. Information on host country requirements, including visa and other entry permits, is included in confirmation emails sent to all participants following successful registration with the United Nations.

### **A. Official government delegations**

88. Following registration with the Protocol Office, the designated focal point must email [delegations@gm.gov.qa](mailto:delegations@gm.gov.qa) to begin the host country registration process with the Ministry of Foreign Affairs of Qatar.

89. The focal point will be responsible for submitting details for all delegation members as part of the host country registration process.

90. The dedicated guest management team of the host country will complete the Hayya electronic visa application process for all registered members and assist the focal point with coordinating air tickets (if applicable) and hotel and transport arrangements.

91. It is important that permanent missions coordinate with their embassies in Qatar to ensure all members of the delegation are fully registered in advance.

### **B. Participants and delegates**

92. International participants that are not part of the official government delegations will receive a confirmation email containing a unique registration code (also referred to as a “voucher”) following registration through the United Nations. The code will be required when applying for a Hayya electronic visa on the designated online portal <https://hayya.qa>. Each individual must apply independently. Participants should wait 72 hours after receipt of the approval letter before submitting the application for the Hayya electronic visa. After the designated waiting period, the voucher will be accepted in the Hayya portal. The registration code is not transferable. The approval is subject to further review and process by the authorities of Qatar.

93. For further assistance and technical support for all Hayya-related issues, please contact the Hayya Support Team by email at [info@hayya.qa](mailto:info@hayya.qa) or by phone at +974 4441 2022.

94. Qatari nationals and residents (Qatar ID holders) should email [wssdlocal@gm.gov.qa](mailto:wssdlocal@gm.gov.qa) with their name, organization and reference code (registration identification code) to request the host country registration link. Once their request has been verified, a dedicated registration link will be sent to them from [noreply@gm.gov.qa](mailto:noreply@gm.gov.qa). Through this link, they will be able to upload their Qatar ID information and complete the host country registration process.

## C. Media

95. Media attending the Summit must register with the United Nations and then apply for a Hayya media permit through the Hayya Media Portal (<https://media.hayya.qa>). During the process, applicants must upload a screenshot of their United Nations registration approval or confirmation email within the credentials fields.
96. The portal will guide all media guests through uploading documents and, if needed, applying for equipment clearance or filming permits.
97. Media representatives who are a part of official delegations, including journalists and official photographers and videographers, must complete the host country registration process with the Ministry of Foreign Affairs of Qatar. The designated focal point for each delegation must email [delegations@gm.gov.qa](mailto:delegations@gm.gov.qa) as soon as possible. The dedicated guest management team of the host country will assist the focal point with all requirements and provide guidance on the additional Hayya media permit registration process.
98. This process ensures entry into Qatar, equipment clearance and filming permissions. Early submission is strongly encouraged.
