

10th session of the UN Open-Ended Working Group on Ageing
#OEWG10 #Ageism

EXPLORING THE NORMATIVE ELEMENTS OF THE RIGHT TO AUTONOMY AND INDEPENDENCE

What key elements constitute a right to autonomy and independence in older age? What are the links with decision-making? How do autonomy and independence apply in the context of care and support, including palliative care?

This side event will create additional space for an open and participatory discussion.

Moderated by Denise Hauser, UN Human Rights Office

Speakers: Bill Mitchell (NACLC, Australia) · Rose Gahire (NSINDAGIZA, Rwanda) · Claudia Mahler (German Institute for Human Rights)

Thursday 18th April 2019, 1.15 - 2.45 pm
