**Q1** Name of the organization:

Alzheimer's Disease and Related Dementias In Zambia

---

**Q2** The purpose of the organization:

Alzheimer's Disease and Related Dementias In Zambia abridged as ADDIZ is established, in absolute conformity with the priscrpts set out by the Non-Governmental Organisation (NGO) registration Board of Directors through the relevant NGO registration Act, and/or any other applicable edicts designed to regulate the administration of the subject matter, to be a not-for-making, charitable organisation with a genuine sense of voluntarism, to take up a task of addressing case of dementia and Rights of Older Persons living with and/or without dementia and other similar disorders associated with Alzheimer's disease or otherwise. To do so by assuming a high sense of devotion and curiosity in identifying and managing the affairs of persons suffering from, or living with, Dementia and other related disorders associated with Alzheimer's disease. The organisation is set to ensure that applied research for the gleaning of the necessary statistics and other important data, on the subject matter is extensively and technically executed so as to clinically or rather empirically identify and mobilise all related cases for the effective administration of the needed theurapeutic care and support. The provision of the voluntary service in the process of administering concerns of the subject of the infirmity in question takes supremacy over the interest of the members executing It.

---

**Q3** Information as to the programmes and activities of the organization in areas relevant to the human rights of older persons:

Alzheimer's Disease and Related Dementias In Zambia's target group is the older people in communities who are affected by an array of abuses ranging from physical, emotional, spiritual, social to economical. ADDIZ conducts awareness and advocacy campaigns to counter the vices affecting the older people in the communities. ADDIZ ensures to inform older people that access to health s their human rights issue and as such basic needs which include the right to food, clothing, shelter and health are human rights. We have made it to known to our target group who are the older people that access to health services is not a benevolent act but is a human right for any human being regardless of age. ADDIZ holds meetings with the older people three times a month to sensituze them on the current happenings a s regards their welfare. ADDIZ also participates in World Alzheimer's Month every Septimber to talk about dementia, Alzheimer's disease and other related disorders that affect the older people. ADDIZ also commemorates World Elder Abuse Day every 15th June.

---
