Page 1: Tenth Session of the OEWG on Ageing 15-18 April 2019, UN Headquarters, New York

Q1 Name of the organization:

Comparatively for Tanzania Elites Community Organizers (CTECO)

Q2 The purpose of the organization:

Comparatively for Tanzania Elites Community Organizers (CTECO) envisaging on a harmonized Elites who are vibrant, active, collaborative in supporting people and their communities, particularly the poor and the vulnerable groups (Elderly People), to prepare, for mitigate, respond to and recover from disasters, and adapt to hazards and a changing climate

The rationale for establishing this organization is aligned with a variety of factors: organization recognizes Government efforts to improve the development sectors as well as to reduce poverty, ignorance and other factors that retard development. However Government resources are limited and therefore elites need to join their efforts with other local and international partners to bring about desired development and social change.

The work of the organization's activities and programs carried out so far and ongoing; are far from adequate, given the scale and complexity of the problems confronting elites and their Communities at large and Social wellbeing.

Therefore, organization is geared towards producing a select circles of high-visibility and disastrous concerns in our communities thus to realize necessity and importance of establishing a beneficial center for dialogue, counseling and platform for discussion with the purpose of bringing about Change in life-style, Good standard of living and Economic Development mainly focused towards the Comparatively for Tanzania elites who are the major economy drivers in the United Republic of Tanzania.

Q3 Information as to the programmes and activities of the organization in areas relevant to the human rights of older persons:

1. To strengthen community's skills on entrepreneurship skills so as to fight extreme poverty.
 2. To raise community's awareness on disaster risk reduction and management.
 3. To facilitate the conduct of research on disaster management and environmental accessibility so as to have community resilience.
 4. Strengthen the creation, analysis and sharing of knowledge on disaster management.
